Exercise 3; Apply a discount flag based on the payment method and amount.

```
24 -- Apply a discount flag based on the payment method and amount. When payment_method = 'Cash' and amount >=200 Then 'Eligible for
Discount', else 'Not Eligible'.
25 SELECT payment_id, amount, payment_method, CASE WHEN payment_method = 'Cash' AND amount >=200 THEN 'Eligible for Discount' ELSE
'Not Eligible' END AS discount_eligibility FROM the.employees.table;
```

Add parameter

Table +

	payment_id	amount	payment_method	discount_eligibility
1	1	50	Card	Not Eligible
2	2	200	Cash	Eligible for Discount
3	3	150	Cash	Not Eligible
4	4	75	Paypal	Not Eligible
5	5	300	Cash	Eligible for Discount
